## WHAT DO WE OFFER?

# MORE THAN SOCCER

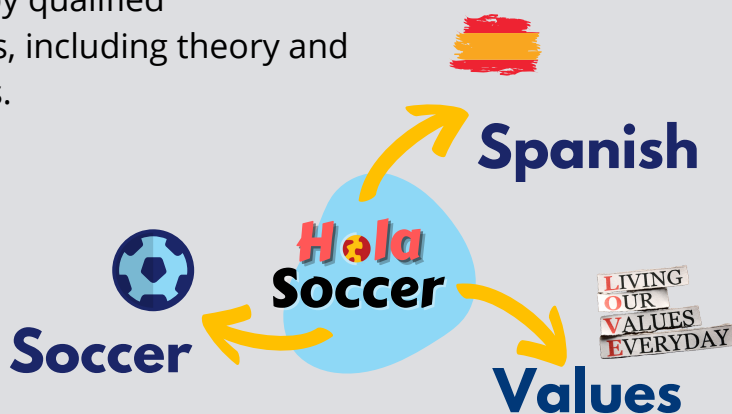

Hola Soccer is a **one-of-a-kind** program based in Spain. Designed to help the **growth** of women's soccer, promoting the **improvement** of technical and tactical knowledge as well as cultural and linguistic understanding. Our camp **unites international** with **local players** for a **unique experience**.

## TRAINING AND EDUCATION, A UNIQUE EXPERIENCE

In partnership with E.F. Ciudad de Getafe, we offer training, in small groups, led by qualified professionals, including theory and tournaments.

In addition to soccer training, we add Spanish lessons, which contribute to the coexistence of Spanish players and coaches, making our campus an intense and unique immersive experience.

We understand soccer as a tool, not only for sports practice but also for personal enrichment. At Hola Soccer we emphasize the importance of high-performance training, without forgetting the reinforcement of values such as teamwork, effort or commitment.

# MAIN OBJECTIVE: PERSONAL GROWTH

A program focused on intensive training to improve technique and individual and collective tactics. Our highly qualified professionals will help you improve your skills in all areas and play with some of the main teams in the region.

## LINGUISTIC IMMERSION

# MONOLINGUALISM CAN BE CURED

Our language program is designed to fully immerse our soccer players in a learning journey that will boost their language skills and their understanding of Spanish culture. We achieve the best results possible by combining formal lessons with day-to-day experiences, all in Spanish!

**Full immersion.** Our students will boost their language skills and their understanding of Spanish culture.

**Qualified native teachers.** All lessons are taught by qualified native Spanish teachers in small groups using Spanish only.

**Placed in groups according to linguistic ability.** All students get assessed and placed in a group based on their language ability, age and goals.

**Meet friends** Train with Spanish players.

**Combine formal lessons and real-life experiences.** We combine formal classes with real life opportunities to practice their language skills.

**Boost your confidence.** Professionals say that students who participate in language immersion programs get a cognitive boost.

**FUN TIMES**

## YOUR JOURNEY STARTS HERE

Our program includes lots of fun activities that will help the players bond among themselves and unwind after intense training!

We include tours to the main stadiums, Santiago Bernabeu, and Civitas Metropolitano. Cultural visits to the most emblematic and historical places in Madrid.

Fun days at awesome water and theme parks.

Plus all the entertainment available at our residence, where players can enjoy a cinema, games room, yoga room, pingpong, gym and much more!
